There is nothing that our dedicated team holds more sacred than the honor of serving our communities and being entrusted to take care of our family, friends and neighbors. As one of this area's essential providers of healthcare and as a large employer, our hospitals are proud to call these communities home. We are proud to have joined ScionHealth, a national health system dedicated to excellence and empowering care for health providers in our communities. In addition, we are thankful for partners like you who help us to advance our mission of providing great healthcare to our communities and creating a place where great physicians and caregivers want to work. Thank you.

— John Whiteside, *CEO*

In 2021, we...

...added nine employed and affiliated providers

Inviting the best possible providers into our communities and supporting them is essential to ensuring access to high quality care. This year, we added providers in family medicine, emergency medicine, medical oncology, internal medicine, podiatry, general surgery and ear, nose and throat.

...made more than \$2.5 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included patient monitoring and surgical equipment.

...distributed a payroll of \$35,510,125 to approximately 300 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$23.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$2,212,257 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

SageWest's Lander Campus is shown here.
A photo of the Riverton Campus appears on page 1.
